SAFETY AND PERSONAL PROTECTIVE EQUIPMENT

We offer a wide range of safety and personal protection equipment that is recognised as the best one in the field. Most of our products are originated from Europe with highest standards of quality.

We also provide after-sales services by offering maintenance contracts for the supplied safety and personal protection equipment. With our maintenance service we ensure that our customer utilizes the purchased product to the maximum and increase the life span of the supplied products.

Therefore, Emirates Falcon Security Systems provides such safety and PPE products:

- Professional footwear
- Protective clothing
- Helmets
- Gloves
- Flashlights
- Marine equipment
- Safe storage solutions (filling stations, tanks systems, pumps, transport and storage containers)

EVENTS

Emirates Falcon Security Systems is always trying to participate in different important events to meet its end users, potential clients and loyal customers. Exhibitions and conferences can be considered as one of the best ways to demonstrate a wide range of products, that we offer, for fields of military, rescue, firefighting and law enforcement.

IDEX

International Defence Exhibition & Conference is demonstrating the latest technology across land, sea and air sectors of defence. It is a unique platform to establish and strengthen relationships with government departments, businesses and armed forces throughout the region.

ADIHEX

Abu Dhabi International Hunting and Equestrian Exhibition (ADIHEX) is the only dedicated consumer and trade event in the Middle East for hunting, equestrian, outdoor and marine sports, safari, arts and antiques, and culture and heritage.

ISNR

International Exhibition for National Security and Resilience is the Gulf region's foremost platform dedicated to homeland security, safety and national resilience. It is organised by the UAE Ministry of Interior and Reed Exhibitions.

Intersec

Intersec is the leading international meeting platform for the Security & Safety industry. And we cannot miss such events to show you our latest products.
